Re: Grandison v. Lanham, et al.
Civil Action No. B-94-204

Dear Judge Black:

Joseph B. Tetrault and I, on behalf of plaintiff, Anthony Grandison, request a third modification of the Court's Scheduling Order in this case. Counsel for plaintiff has conferred with counsel for defendants who has consented to plaintiff's request for a modification of the Court's Scheduling Order.

This matter involves complex religious issues. In this regard, plaintiff has made significant progress and has diligently attempted to designate his expert witnesses. Although plaintiff has potentially identified expert witnesses, difficulty has arisen in arranging meetings with such potential experts due to their schedules; in particular, at least one potential expert has been out of the country for an extended period of time, thus, making it impossible for plaintiff to substantively confer with that person and to ultimately designate plaintiff's experts within the time frame as set forth in the current schedule. Accordingly, this necessitates the request for a third modification of the Scheduling Order. Because no trial date has been set, this extension will not prejudice any party.

We have enclosed a proposed Third Amended Scheduling Order that reflects an additional six (6) week extension for the deadlines as set forth in the previous schedule. It modifies the previous schedule as follows:

<u>EVENT</u>	<u>CURRENT DEADLINE</u>	<u>PROPOSED DEADLINE</u>
Plaintiff's Rule 26(a)(2)	October 4, 1999	November 15, 1999
Disclosures <u>re</u> experts
